(847) 951-3020

Passionate and goal-oriented School Counselor in training with a decade of experience in project management. I have specialized in communication with many different stakeholders, juggling competing organizational priorities, and tracking progress, timelines, budget, and performance risks.

Experience

AT&T Corporation

Lead Scrum Master/Project Manager

June 2013 - Present

- Led 100+ process-oriented projects' delivery via scope, schedule, and budget management
- Facilitated communication systems between executives, department heads, and development teams etc. to coordinate shared responsibilities and circulate status and progress updates
- Identified potential risks to timeline, budget, and scope, directing mitigation workshops
- Built program meeting and communication plan to allow forums for intra-team, inter-team and executive level troubleshooting and communication for 30+ resource program
- Strategically accounted for individual team members' working styles in planning schedules, delegating responsibilities, and determining technical solution decisions
- Tracked progress across five teams, 25 developers, managing multiple projects, while aligning team priorities to organization leadership's expectations

Lakeshore Lacrosse

Girls' Lacrosse Coach

May 2014 - July 2023

- Assessed skill level against athletes' seasonal performance plan, facilitating goal-setting, progress monitoring, and evaluation
- Designed curriculum for individualized focus during skill-building, while continuously adapting for competitive standards
- Balanced fostering competitive spirit and drive with necessity for fair playing time
- Managed communications between coaching staff, players, and parents
